前言

中国书法和中国画是中华民族独创的表现艺术。中国书法以笔法、结构和章法构成富有美感的艺术作品；中国画以墨线和矿物植物颜料呈现在宣纸或绢上的画，具有图形化装饰性的艺术作品。书画同源，中国人通过书画追求着天人合一、物我相融的艺术精神。

作为中华文明的重要发祥地之一和儒家文化的重要发源地，山东书画艺术源远流长、光华灿烂。古有“书圣”王羲之、“楷书四大家”之一的颜真卿、被后世誉为“唐画之祖”的展子虔、“北宋三家山水”之一的李成、《清明上河图》作者张择端等书画大家。迈入现代，山东艺术大师更是人才辈出、群星璀璨。此次维也纳联合国中文日“翰墨齐鲁”书画展，特别邀请了山东省内书法、国画名家进行了书画创作，臻选 82 幅作品，以供大家赏析。

PREFACE

Chinese calligraphy and Chinese painting are unique expressions of art created by the Chinese nation. Chinese calligraphy uses brushwork, structure and composition to produce aesthetic works of art, while Chinese paintings are graphic and decorative, featuring ink lines coupled with mineral and plant-based pigments on rice paper or silk. Chinese calligraphy and painting share the same origin, through which the Chinese pursue the unity of nature and human as well as the integration of art work with the aesthetic values of the artists.

Shandong, as one of the important birthplaces of Chinese civilization and origin of Confucian culture, has a long and brilliant history of calligraphy and painting. In ancient times, a number of masters of calligraphy and painting were from Shandong, including Wang Xizhi, the "Sage of Calligraphy", Yan Zhenqing, one of the "Four Masters of Regular Script", Zhan Ziqian, regarded by later generations as the "Founder of Tang-Style Painting", Li Cheng, one of the "Three Best Landscape Painters in the Northern Song Dynasty", and Zhang Zeduan, who painted the famous *Along the River During the Qingming Festival*. Stepping into modern times, Shandong has brilliant and top-notch artists constantly emerging and realizing their full potential. For the "Shandong Artistry" Calligraphy and Painting Exhibition of UN Chinese Language Day Vienna, famous artists in Shandong were specially invited to create traditional Chinese calligraphy and painting works, and 82 of them were selected for appreciation.
